Our associations jointly wish to express our support for the reoperhand BC [• • Z } ν o • this fall as well as our appreciation for the collaborative approach taken by both the Ministry of Education and the Public Health Office.

Faced withthe unprecedented challenges eated by the current COVID outbreak we believe it is critical that both students and staff be provided the opportunity to return to schools fallon a full-time basis. By September, the majority of students will have been away from classrooms for more than five months. This has a significant atige impact on all children and 0 G [286/-7(n)14(all chi)4(ld)5(reTJ E)5(c)
